Pegasus LED Fresnel Spots:

These spots use LED light sources instead of tungsten halogen lamps resulting in lower electrical consumption and heat. Produce an adjustable focus soft edge light beam. Available as 6" or 8" Fresnel lens models with 130 watt LED white light source and very quiet fan cooling. Bottom knob for slide focus of light beam. These lights can be dimmed by plugging into existing stage dimming systems or by using DMX control. DMX-512 control in/thru using 5-pin XLR connectors. RDM compliant. Rear control panel with multiple on-board control options of dimming and dimming curve for 120 or 240 vac. Dimming curve designed to replicate the smooth dimming curve of older incandescent lamp fixtures. Dimming engine has up to 16 bit fading accuracy for high quality fades and minimum color shift during dimming. PowerCon connectors for power in and thru for daisy chaining power between fixtures (max 8). Internal power supply is self-adjusting for 100 V to 240 V 50/60 Hz.. ETL, cETL, and CE listed for indoor use. Altman brand.

Fixtures includes color frame, safety cable, 510 clamp, and a 5' black power input cable with 15A Edison plug and PowerCon connector. Fixture housing is standard black. For optional white or silver color housing, change -B at end of catalog number to -W for white, or -S for silver when ordering. White fixtures are shipped with white power cable.

Choice of 5 white color temperature LED light sources: 2700K, 3000K, 4000K, and 5000K.

### PEG6 Pegasus 6" LED Fresnel:

130 watt LED 6" Fresnel lens fixture with 15° to 85° degree beam spread. Switchable DMX or mains dimming. Includes a 7-1/2" x 7-1/2" color frame, safety cable, 510 Clamp, and a 5' black power input cable with 15A Edison plug and PowerCon connector. Fixture housing is standard black. For optional white or silver color housing, change -B at end of catalog number to -W for white, or -S for silver when ordering.

PEG6-2K-B	Pegasus 6" LED Fresnel, 2700K, black housing	$ 932.00
PEG6-3K-B	Pegasus 6" LED Fresnel, 3000K, black housing	$ 932.00
PEG6-4K-B	Pegasus 6" LED Fresnel, 4000K, black housing	$ 932.00
PEG6-5K-B	Pegasus 6" LED Fresnel, 5000K, black housing	$ 932.00

PEG8 Pegasus 8" LED Fresnel:

130 watt LED 8" Fresnel lens fixture with 10° to 70° degree beam spread. Switchable DMX or mains dimming. Includes a 10" x 10" color frame, safety cable, 510 Clamp, and a 5' black power input cable with 15A Edison plug and PowerCon connector. Fixture housing is standard black. For optional white or silver color housing, change -B at end of catalog number to -W for white, or -S for silver when ordering.

PEG8-2K-B	Pegasus 8" LED Fresnel, 2700K, black housing	$ 1065.50
PEG8-3K-B	Pegasus 8" LED Fresnel, 3000K, black housing	$ 1065.50
PEG8-4K-B	Pegasus 8" LED Fresnel, 4000K, black housing	$ 1065.50
PEG8-5K-B	Pegasus 8" LED Fresnel, 5000K, black housing	$ 1065.50

Accessories for Pegasus LED Fresnels:

6-CFB	Color frame, black, 7-1/2" x 7-1/24", included with PEG6 Fresnel...$	5.00
10-CFB	Color frame, black, 10" x 10", included with PEG8 Fresnel............$	8.00
PCL-PBG-12-5	PowerCON cable 5' with 15A male Edison plug, included. ....$	28.00
SC-36-BK	Safety cable 36" black, included ....$	7.00
510	Malleable iron pipe clamp, black, included ....$	10.40
6-BD4	Black 4 door, 8 leaf barndoors, for use with PEG6 Fresnel.............$	52.00
6-SN	Snoot 7-1/2" x 7-1/2", for use with PEG6 Fresnel...........................$	16.80
8-BD4	Black 4 door, 8 leaf barndoors for use with PEG8 Fresnel..............$	70.40
8-SN	Snoot 10" x 10", for use with PEG8 Fresnel ....$	23.20
Canopy	Factory installation of spotlight installed on an electrical box canopy cover, for direct wiring...$	32.00
CoilCord	Factory Installed 2'-7' coiled cord with molded Edison plug, for display or exhibit use...$	40.00
Unistrut	Plate to attach spotlight to Unistrut or similar metal strut. Required hardware (nuts, bolts, etc.) are not included.....................................$	20.00
	Installed male 20A stage pin plug..$	23.00
	Installed male 15A Edison plug (5' cord included with fixture).........$	27.00
	Installed male 20A Twist-lock plug ....$	27.00

PowerCon AC Power Cables for Pegasus LED Fresnels:

A PowerCon cable is included with the fixtures to connect the fixture to a non-dim AC receptacle for power. The cable is 5' long with a 15A male Edison plug on one end and a PowerCon connector on the other to connect the cable to the fixture. Optional cables with a 20A male stage pin plug or 20A twist-lock plug can be purchased separately (POR), but can not be swapped for the Edison plug cable included with the fixture. Prices for factory installation of the alternate plugs onto the included cable are shown above.

PowerCon AC Extension Cables for Pegasus LED Fresnels:

PowerCon extension (jumper) cables can be used to daisy chain AC power between LED Spots. Cable is rated 20A and has PowerCon in and PowerCon out connectors on the ends. Color of cable is black. White cable priced on request. Lex Products brand.

PE7001J-5-PCN	PowerCon extension cable, 5' ....$	30.55
PE7001J-10PCN	PowerCon extension cable, 10' ....$	35.59
PE7001J--5PCN	PowerCon extension cable, 15' ....$	40.50
PE7001J-25-PCN	PowerCon extension cable, 25 ....$	50.25
